Who can this be, that even the wind and the sea obey Him!

When storms rage without and within, and we are beset with frantic activity, we often find ourselves wondering, "Is God paying attention?" Today we learn that God pays attention. Today we learn of the God who is beyond and of God who is here. We discover that the God who created the boundaries of the sea is within the raging seas that sometimes threaten us. We ponder troubles and we learn to trust. We are drawn to consider that we are one with the Lord. This trust and faith steadies our ship and calms our seas.

We have some surety now, even as we continue to move our small ships through treacherous waters. We can take on life's journey with its troubles and its peace, for Christ indeed is here and attentive to us, whether or not we are likewise so mindful. As God's own people, we cannot expect to slip through life as small skiffs on glassy seas. But we can expect God to be right there with us, inside and outside, as close as mates on a small vessel.

NATIVITY OF SAINT JOHN THE BAPTIST

June 24th

The Feast of the Nativity, or birthday, of Saint John the Baptist, the precursor of the Messiah and born six months before Him, is one of the oldest feasts in the liturgy of the Church. He was the son of Zechariah and Elizabeth, a cousin of the Blessed Virgin Mary. What we know of this Saint, from his sanctification before his birth

to his martyrdom under King Herod, is set down in Holy Scripture. While the feast of other Saints is celebrated on the day of their death, when their final victory is won, the birthday of Saint John the Baptist is his feast day, as he was born free from original sin.

Thirty years after the birth of Jesus, John began his mission on the bank of the Jordan. His work was to prepare the way and announce the coming of the long-expected Messiah, the Redeemer.
